## **About School:**

Divine Higher Secondary School, which was founded in 2019, is a centre of excellence dedicated to influencing the future with high-quality instruction and moral principles. We offer a forward-thinking classroom where innovation and tradition coexist, enabling students to reach their full potential.

Education, in our opinion at Divine Higher Secondary School, is the cornerstone of a fulfilling life. With a strong emphasis on discipline and integrity, our academic approach aims to stimulate curiosity, critical thinking, and creativity.

Our knowledgeable instructors are committed to providing each student with individualized guidance that ensures both academic success and character development. We promote involvement in extracurricular and co-curricular activities outside of the classroom in order to foster self-assurance, leadership, and teamwork.

Our goal is to create well-rounded people who are not just academically strong but also morally and socially conscious. Divine Higher Secondary School continues to create a better future for each and every student with a desire for excellence and a love of learning.

## **From the Desk of The Chairman:**

At Divine Higher Secondary School, our vision has always been to create a place where education goes beyond textbooks and classrooms. Since our establishment in 2019, we have been committed to nurturing young minds with knowledge, discipline, and strong moral values.

We believe that every student has unique potential, and it is our responsibility to guide them toward excellence in academics as well as in life. Our dedicated faculty, modern approach to learning, and supportive environment aim to inspire confidence, creativity, and critical thinking in every learner.

Education is not just about achieving success; it is about building character, developing responsibility, and preparing students to face the future with courage and integrity. At Divine Higher Secondary School, we strive to shape not only brilliant students but also responsible citizens of tomorrow.

I warmly welcome you to be a part of our journey towards knowledge, growth, and excellence.

Chairman

Laishram Chingkhei Meetei

## **From the Desk of The Secretary:**

It is my privilege to extend a warm welcome to you on behalf of Divine Higher Secondary School — an institution dedicated to excellence in education and the holistic development of every learner.

At Divine Higher Secondary School, we believe that education is the foundation upon which dreams are built and futures are shaped. Our mission is to provide a dynamic and inspiring learning environment that nurtures intellectual curiosity, strengthens character, and promotes leadership, creativity, and innovation.

We firmly believe that true education is achieved through collaboration among students, parents, and educators. Together, we are committed to creating opportunities that inspire growth, encourage excellence, and cultivate lifelong learning.

I express my sincere gratitude to parents, guardians, and well-wishers for their continued trust and support. Let us move forward together with dedication and vision, shaping a brighter and successful future for our students.

Secretary

Pukhrambam Dinesh Singh

### **From the Desk of The Principal:**

I feel very honoured and privileged to be the Principal of Divine Higher Secondary School. In order to make Divine Higher Secondary School the greatest school it can be, I am constantly thrilled and eager to collaborate with our students, faculty, and parents. We genuinely have an amazing school with a devoted staff, a well-furnished campus, a friendly and active parent group, and the most amazing pupils to work with.

### **Vision and Mission:**

#### **❖ *Our Vision***

To be a leading educational institution that inspires excellence, nurtures character, and empowers students to become responsible, confident, and successful global citizens. Divine Higher Secondary School envisions creating a dynamic learning environment where knowledge meets values, and students are prepared to face future challenges with courage, creativity, and compassion.

#### **❖ *Our Mission***

At Divine Higher Secondary School, our mission is to:

- Provide quality education that promotes academic excellence and intellectual growth
- Foster moral values, discipline, and integrity in every student Encourage critical thinking, creativity, and innovation
- Create a safe, inclusive, and supportive learning environment
- Promote holistic development through academics, co-curricular, and extracurricular activities
- Develop leadership skills and social responsibility among students
- Prepare students to excel in higher education and future careers

We are committed to nurturing young minds, shaping strong character, and building a brighter future for our students and society.

### **Our Premium Science Stream Facilities:**

We offer modern infrastructure, advanced laboratories, and digital learning facilities to help students excel in higher education and competitive examinations.

#### **❖ *Advanced Science Laboratories***

- Physics Laboratory: Our well-equipped Physics laboratory enables students to understand scientific concepts through practical learning.
- Chemistry Laboratory: Our Chemistry lab is designed with safety and modern equipment for effective experimentation.
- Biology Laboratory: The biology laboratory supports hands-on learning through models and specimens.

#### **❖ *Library & Digital Learning Centre***: Our library supports academic excellence and competitive exam preparation.

##### ➤ Features:

- 1) Science reference books
- 2) Competitive exam books (NEET / JEE)
- 3) Journals and magazines
- 4) Digital learning resources
- 5) Quiet reading environment

#### **❖ *Smart Classrooms***: Technology-enabled classrooms enhance learning experience.

#### **❖ *Career Guidance & Competitive Preparation***: We guide students for future careers in science and technology.

##### ➤ Features:

- 1) NEET / JEE guidance

- 2) Career counselling sessions
- 3) Expert guest lectures
- 4) Competitive exam preparation support

❖ **Why Choose Our Science Stream?**

- ✓ Modern Laboratories
- ✓ Experienced Faculty
- ✓ Competitive Exam Support

**Additional Co-Curricular Events:**

At Divine Higher Secondary School, Imphal, extracurricular activities are the centrepiece of students' lives because they help them build the well-rounded personalities necessary to handle the challenging challenge of navigating the unstable world of the future. The goal of extracurricular activities is to prepare students for the future and foster in them a spirit of competition, teamwork, leadership, cooperation, diligence, and timeliness. It gives the pupils a stage on which to hone their artistic abilities. Each student has been assigned to one of four houses: Red, Yellow, Blue, or Green. After evaluating each house program, the winning prize is awarded to the best house. Every house showcases their skills and abilities via various tournaments that are periodically held.

**Eligibility for Class XI Science Admission:**

Students may apply for admission if they have passed the class X exam with at least 50% from the Manipur Board of Secondary Education or from other boards or universities approved by COHSEM. For students passing in subjects other than BOSEM, eligibility certifications must be sent with the application forms.

❖ **Submission of application form:**

1. Completed the application as directed, forms must be turned in on time.
2. One certified copy of the H.S.L.C.E. mark sheet.
3. One certified copy of the H.S.L.C.E. admit card.
4. One certified copy of the certificate of eligibility (only for CBSE/other boards, etc.)

❖ **Entry test:**

A single question paper including General English, Physics, Chemistry, Biology, and Mathematics will be used for the admission test. Every subject will have 20-mark objective type questions on the curricular set by the Manipur Board of Secondary Education. The test has a time limit of two hours.

❖ **Announcement of results:**

On the same day, the test results will be announced and made available on the school website. The notice board will display the list of chosen applicants.

❖ **Concerning the fees:**

The school office can provide information on the fee structure and payment methods. A separate fee slip and booklet will be provided at the time of admission and following a personal interview or counselling, respectively.

- ✓ Fees and other deposited funds are non-refundable once admitted.
- ✓ Students' names will be removed from the register if they fail to pay their monthly payments.
- ✓ Other undesirable ones may be subject to additional fines determined by the authorities.

**Merit Awards and Cash Scholarships:**

1. Students who placed first, second, or third in the Council's Class XI examination will receive merit scholarships worth Rs. 2,000.
2. If applicable, the school authority will decide on additional monetary incentives for deserving students.
3. Any student (XI and XII) who attends the school regularly will receive a monetary prize of Rs. 1000/-
4. Any student who achieves a Position holder in the Council's Higher Secondary Examination will receive a monetary incentive of Rs. 10,000.
